## Practicing the Power of God – Summer Workshop on Wednesday Nights

For the past several months we have been slowly making our way through the Book of Acts, and so far what God has been reminding us about is that EVERYTHING about the Christian life arise from and depends upon the power of the Holy Spirit working in and through us. God desires to do incredible things in us – beyond anything we can ask or even think – because of the POWER that works within us. Lately, people have been asking, "If that is true, why aren't we seeing it in our own lives and in our own church?"

My answer is simple, "Because we haven't been trained to expect it or walk in it."

Well, starting this Wednesday at 6 PM, we are going to meet every week for a workshop on how to Practice the Power of God. This is not so much teaching as it is TRAINING in how to pray, how to share our faith, and how to hear the voice of God through the anointing of the Holy Spirit within us. It is going to be exciting, challenging, maybe even a little uncomfortable at times – as God takes us out of our Comfort Zone and into the Power Zone where can be glorified.

See you Wednesday night at 6!

Oh, and yes, there will be food!

Blessings JME
