

Yes, it is going to be a little chilly tomorrow night, but the worst of the cold is over now, and we have a new year to get started on. If you are looking for a special boost of energy and faith to get this new year started, **YOU HAVE TO BE AT CHURCH TOMORROW NIGHT!** I promise you will be glad you came. This will be a little different from our regular Wednesday night format, but I think you will be blessed.

Menu is chili dogs, so feel free to bring something to share that goes with chili dogs, OR if chili dogs isn't your thing, feel free to bring a brown bag or a Tupperware dish of something you do like and join the fellowship anyhow. We will miss you if you are not there.

Blessings, Jackie
