

Words to God's Prophets for 2025

- ✔ You must shift from the BURDEN to the BUILDING or you will become BURIED!!

- ✔ You must shift from the CRITICISM of the old religious system to the CONSTRUCTION in the New Era or you will become CONSTIPATED!!

- ✔ You must shift from the FRUSTRATION to the FRAMEWORK or you will produce FALSE FIRE!!

- ✔ You must shift from going INWARD to INTERCESSION or you will birth an ISHMAEL!!

- ✔ You must shift from COMPLAINING to COLLABORATING or you will COMPROMISE!!

If you are to succeed in 2025 and fulfill your ASSIGNMENTS, you must distance yourself from the ASSASSINATORS (those who are too negative, critical, judgmental). It's time to prophesy LIFE to dead nations, systems, streams, infrastructure, and people.

Rise Up and Lead Prophets! It's time to BUILD!!
